FROM: Senator

An item number identifies the specific section of the Budget Bill which your amendment would affect. Item numbers are listed in the Budget Bill on the left side of each page. The number of items for an agency depends on the diversity of its programs. Some agencies have only one item; others have more than 10. If you are unsure of the item number leave the space blank.

AGENCY NAME:

☐

SB 30 (2026-2028)

Use this section to indicate whether your amendment would require an increase or decrease in appropriated funds. General fund (GF) monies are derived from taxes levied on individual and corporate income, sales, public service corporations and insurance companies. The GF is the major source of support for many state functions. Non-general fund (NGF) monies consist of special fund revenues, higher education operating monies (tuition, special revenues and federal grants), highway maintenance and construction funds, trust and agency funds, and federal trust funds.
