

Report of the Subcommittee on Health and Human Resources

Senate Finance & Appropriations Committee Virginia General Assembly

February 18, 2024

Report of the Health and Human Resources Subcommittee The Honorable R. Creigh Deeds, Chair February 18, 2024

Madam Chair and Members of the Committee,

This year, the Subcommittee, with several new members, continued to work to address the many needs in the Health and Human Resources area.

I am pleased to provide the report of the Health and Human Resources Subcommittee. The Subcommittee has reviewed the Governor's proposed budget for SB 29 and SB 30, along with numerous other funding requests to address the needs of individuals receiving services from the Health and Human Resources agencies. While these recommendations continue the significant investments in behavioral health and safety net services over the past few years, I can tell you the needs far exceed the resources available.

The Subcommittee worked hard to prioritize these recommendations to meet the most critical needs. These include addressing the crisis in behavioral health, providing services to people with disabilities, ensuring access to health care, and improving the availability of health care and mental health professionals. The Subcommittee's recommendations include a net \$54.2 million in additional general fund investments in Health and Human Resources that, combined with the adopted amendments in the introduced budget, total nearly \$1.8 billion. Another \$150.0 million is included in Central Appropriations to help fund, as needed, a slower decline in Medicaid enrollment. With the end of the COVID-19 pandemic, the federal limitation that no one could be disenrolled has expired, and everyone's eligibility for Medicaid must be redetermined by April of this year.

As you all know behavioral health is a very important issue. I have worked for many years toward moving the Commonwealth to a robust communitybased system that can truly meet the behavioral health needs of individuals before it develops into a crisis. I am pleased to announce the Subcommittee

Senate of Virginia Senate Finance & Appropriations Committee

recommendations for behavioral health bring the additional investment in this budget to nearly \$130.0 million from the general fund. Building on significant investments funded by the General Assembly over the past few years, the Subcommittee continues those efforts to strengthen the community-based services for so many Virginians in need. This funding includes \$26.6 million for Community Services Boards to support workforce development, increased funding for the STEP-VA initiative, and to fund staffing for crisis stabilization units. The Subcommittee also adopts the proposed enhancements to Medicaid's behavioral health services to ensure they are evidence-based and provide the most effective treatment for individuals receiving services.

The end of the COVID-19 pandemic, and with it the loss of enhanced federal funding for Medicaid, now requires that the Commonwealth meet its commitment to funding its traditional share, which totals over \$1.2 billion general fund in the adopted amendments. The Subcommittee endorses the proposal to add 3,440 developmental disability waiver slots over the biennium but does modify the implementation to release the slots quarterly to provide time for providers to develop capacity. In addition, the Subcommittee allocates \$37.4 million from the general fund to increase developmental disability waiver rates to help support the many providers that work so hard to serve some of our most vulnerable citizens. Other Subcommittee amendments address provider rates for consumer-directed facilitators, essential durable medical equipment, and dental services.

Other recommendations include funding for safety net services, as well as investments in our child welfare system to promote alternative foster care arrangements that encourage placements with relatives.

As I conclude, let me thank the members of the Subcommittee for the time they invested in putting this report together. I sincerely appreciate the contributions and efforts of each member of the Subcommittee.

With that, I conclude my report for Health and Human Resources. I hope it will be the pleasure of the Committee to adopt our amendments.

Respectfully Submitted,

The Honorable R. Creigh Deeds, Chair

The Honorable Adam P. Ebbin

The Honorable Mark D. Obenshain

The Honorable Bryce E. Reeves

The Honorable Barbara A. Favola

The Honorable Jennifer B. Boysko

109 Clarifies that Payment for Medical Services be Consistent with Law

Language

Item 279 #4s

Health and Human Resources	FY24-25	FY25-26	
Department of Health	\$250,000	\$250,000	GF

Language:

Page 310, line 4, strike "\$29,665,423" and insert "\$29,915,423". Page 310, line 4, strike "\$26,415,423" and insert "\$26,665,423". Page 311, line 15, strike the first "\$2,800,000" and insert "\$3,050,000". Page 311, line 15, strike the second "\$2,800,000" and insert "\$3,050,000".

Explanation:

(This amendment provides an additional \$250,000 each year from the general fund to the Virginia Community Healthcare Association (VCHA). The funding will be used to enable Federally Qualified Health Centers to continue providing comprehensive medical, dental, and mental health services to areas throughout Virginia.)

	Item 288 #2s			
Health and Human Resources	FY24-25	FY25-26		
Department of Medical Assistance Services	\$5,031,326 \$5,926,564	\$5,037,493 \$5,920,397		

Language:

Page 319, line 23, strike "\$23,331,209,172" and insert "\$23,342,167,062". Page 319, line 23, strike "\$24,879,038,632" and insert "\$24,889,996,522". Page 348, after line 43, insert:

"WWW. Effective July 1, 2024, the Department of Medical Assistance Services shall have the authority to update the rates for consumer-directed facilitation services based on the most recent rebasing estimates as follows: Consumer Directed (CD) Management Training shall be increased to \$90.14 per hour in Northern Virginia and to \$80.91 per hour in the rest of the state; CD Initial Comprehensive Visit shall be increased to \$360.54 per visit in Northern Virginia and to \$323.64 per visit in the rest of the state; CD Routine Visit shall be increased to \$112.67 per visit in Northern Virginia and to \$101.14 per visit in the rest of the state; and CD Reassessment Visit shall be increased to \$180.27 per visit in Northern Virginia and to \$161.82 per visit in the rest of the state. The department shall have the authority to implement these changes prior to completion of any regulatory process to effect such change."

Explanation:

(This amendment adds funding each year to increase rates for Medicaid consumerdirected service facilitation training and visits to reflect recommendations contained in the most recent report on rebasing of Medicaid developmental disability Medicaid waiver services. While most of the rates were updated as of July 1, 2022, rates for service facilitation were not updated. A service facilitator is a Medicaid-enrolled provider who is responsible for supporting the individual enrolled in Medicaid waivers and the family/caregiver by ensuring the development and monitoring of the Consumer-Directed Services Individual Service Plan, providing employee management training, and completing ongoing review activities as required by the Department of Medical Assistance Services for consumer-directed companion, personal assistance, and respite services.)

		Item 288 #9s	
Health and Human Resources	FY24-25	FY25-26	
Department of Medical Assistance Services	\$5,787,835 \$10,385,496	\$5,526,584 \$10,956,911	

Language:

Page 319, line 23, strike "\$23,331,209,172" and insert "\$23,347,382,503".

Page 319, line 23, strike "\$24,879,038,632" and insert "\$24,895,522,127".

Page 345, line 27, after "BBBB.", insert "1.".

Page 345, after line 31, insert:

"2. Effective July 1, 2024, the Department of Medical Assistance Services shall have the authority to increase Medicaid Title XIX and CHIP Title XXI reimbursement rates for dental services by three percent. The department shall have the authority to implement these changes prior to completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides funding each year to increase Medicaid and children's health insurance program reimbursed dental services by three percent. Rates for dental services were increased by 30 percent in fiscal year 2023. It is the intent that upon enrolling of the bill the amounts needed in Items 287 and 290 shall be allocated as appropriate to reflect the increase in dental rates for the children's health insurance programs, know as FAMIS and Medicaid CHIP.)

		Item 288 #12s			
Health and Human Resources	FY24-25	FY25-26			
Department of Medical Assistance Services	\$866,840 \$1,017,065	\$867,905 GF \$1,016,000 NGF			

Language:

2

Page 319, line 23, strike "\$23,331,209,172" and insert "\$23,333,093,077".

Page 319, line 23, strike "\$24,879,038,632" and insert "\$24,880,922,537".

Page 348, after line 43, insert:

"WWWW. Effective July 1, 2024, the Department of Medical Assistance Services (DMAS) shall have the authority to amend the State Plan for Medical Assistance to increase the per diem rates paid to therapeutic group homes (TGH) that accept children requiring early and periodic screening, diagnosis, and treatment (EPSDT) services by 50 percent."

Explanation:

(This amendment authorizes the Department of Medical Assistance Services to rebase rates for therapeutic group home providers accepting children requiring early and periodic screening, diagnosis, and treatment (EPSDT) services. There is only one such provider in the Commonwealth serving approximately 70 Virginia-Medicaid children. This population of children have both a mental health or psychiatric diagnosis and an intellectual or developmental disability and require staffing and services not provided elsewhere.)

		Item 297 #2s	
Health and Human Resources	FY24-25	FY25-26	
Grants to Localities	\$1,000,000	\$1,000,000	GF

Language:

Page 366, line 22, strike "\$770,858,749" and insert "\$771,858,749". Page 366, line 22, strike "\$772,417,277" and insert "\$773,417,277". Page 369, after line 45, strike the first "\$16,185,533" and insert "\$17,185,533". Page 369, after line 45, strike the second "\$16,185,533" and insert "\$17,185,533".

Explanation:

(This amendment provides and additional \$1.0 million each year from the general fund to support the State Rental Assistance Program (SRAP) which provides rental subsidies for individuals with intellectual or developmental disabilities. SRAP was created in 2016 to bring Virginia into compliance with the Olmstead Settlement Agreement to ensure adults with intellectual and developmental disabilities live independently in the community. Currently, SRAP has enough funds to assist about 1,000 individuals to secure and maintain independent housing.)

		Item 297 #4s	
Health and Human Resources	FY24-25	FY25-26	
Grants to Localities	\$3,319,123	\$3,319,123	GF
-			

Language:

See LIS State Budget Website for Complete Set of Adopted Amendments When Posted

Page 366, line 22, strike "\$770,858,749" and insert "\$774,177,872". Page 366, line 22, strike "\$772,417,277" and insert "\$775,736,400". Page 372, after line 27, insert: "TT. Out of this appropriation, \$3,319,123 the first year and \$3,319,123 the second year from the general fund shall be provided to account for inflation in the cost to implement and deliver services associated with the six steps of STEP-VA."

Explanation:

(This amendment provides \$3.3 million each year from the general fund to account for inflation in the cost to implement and deliver services associated with the six steps of STEP-VA which did not receive funding adjustments through previous budget actions. This request is in addition to the \$8.7 million included in the current budget to address inflation in the first three steps of STEP-VA. Of this amount, \$1.8 million is for crisis services, \$401,874 for military veterans, \$480,558 for peer services, \$181,424 for case management, \$150,250 for psychological rehab, and \$329,802 for care coordination.)

		Item 314 #1s	
Health and Human Resources	FY24-25	FY25-26	
Department for Aging and Rehabilitative Services	\$775,000	\$775,000 GF	

Language:

Page 377, line 42, strike "\$107,095,959" and insert "\$107,870,959".
Page 377, line 42, strike "\$107,095,959" and insert "\$107,870,959".
Page 379, line 23, strike the first "\$7,746,719" and insert "\$8,521,719".
Page 379, line 23, strike the second "\$7,746,719" and insert "\$8,521,719".
Page 379, after line 39, insert:
"5. Of this amount, \$775,000 the first year and \$775,000 the second year from the general fund shall be used for workforce retention for brain injury service providers."
Page 379, line 40, strike "5" and insert "6".

Page 379, line 43, strike "6" and insert "7".

Explanation:

(This amendment provides \$775,000 each year from the general fund for workforce retention to ensure quality accessible services for people living with brain injury. State contracted brain injury providers report high attrition and difficulty filling open positions because of non-competitive salaries and benefits. This funding will support currently existing state contracted brain injury service providers.)

		Item 314 #2s	
Health and Human Resources	FY24-25	FY25-26	
Department for Aging and Rehabilitative Services	\$500,000	\$500,000	GF

Language:

Page 377, line 42, strike "\$107,095,959" and insert "\$107,595,959". Page 377, line 42, strike "\$107,095,959" and insert "\$107,595,959". Page 379, line 9, strike the first "\$7,180,502" and insert "\$7,680,502". Page 379, line 9, strike the second "\$7,180,502" and insert "\$7,680,502".

Explanation:

(This amendment provides \$500,000 each year from the general fund to support Centers for Independent Living to provide independent living services including skills training, advocacy, information and referral, peer mentoring, and transition to people with significant disabilities. Transition services includes youth services, services to people trying to transition from nursing facilities and other institutions, and services to prevent institutionalization. Funding is needed to meet increasing requests for these services and increased cost of doing business including rent, fuel and transportation.)
